

Verified Environmental Management

Embatex AG
A-9560 Feldkirchen

This organization has implemented an environmental management system according to Regulation (EC) No 761/2001 of the European parliament and of the council of 19 March 2001 in order to continuously improve its environmental performance. It regularly publishes an environmental statement, has the environmental management system and the environmental statement examined by an accredited independent environmental verifier, appears in the list of registered organisations and therefore may use the EMAS-logo.
